Practice Schedule(s)

Practice schedules for all RRLC teams will be announced in March of 2010. All teams will practice 8-10 times (about once per week) throughout summer 2010, beginning in early June and ending in late July, early August. A certified athletic trainer from *Pro Physical Therapy* will be at every practice, just like in 2009.

Tournaments

RRLC teams will do its best to compete in some of the best tournaments in the region. Believe it or not, some popular tournaments have 150 team wait lists.
